

## **Kendriya Vidyalaya, BSF Camp Chhawla, New Delhi**

**Date of Event: 26.09.2019**

### **Event: School Level Science Exhibition**

School level Science Exhibition was organized on 26.09.2019 in Biology Lab which was inaugurated by Sh. P.K. Pradip (Vice-Principal) and accompanied by science stream faculties. In this exhibition students shown their talent and presented their model and exhibits. Model related to “Earthquake Warning” was appreciated by visitors (teachers and students). All the science faculty members and students put their best efforts to make it a success. Selected models were nominated for Regional Level Science Exhibition.
